REPORTS

REPORTS OF THE DISTRICT SUPERINTENDENTS

Alexandria District

On profession of faith 215 have been received and 571 by certificate. Many revivals have been held and there is some advance in the spiritual life.

Bunkie has erected a fine education building of brick, costing \$25,000; Olla is remodeling and brick-veneering the church there; a beautiful parsonage, costing more than \$5,000, has replaced the old one in Winnfield; the old district parsonage was sold in July and an imposing two-story residence on White Street purchased. Other material improvements at several place have been made.

The indebtedness of the Natchitoches Church has been paid; about \$24,000 has been paid on the bonded debt of First Church, Alexandria, while Pineville Church, cleared of obligation, was dedicated by Bishop Smith. The district paid more than its quota on the Day of Compassion. Other causes have been given attention, as the Statistical Tables will verify.

The district led the Conference in three things: vacation schools held (54), including one conducted by three Junior girls of First Church, Alexandria, for negro children on a plantation near the city; in the number of churches participating in training work (33), and in the number of subscriptions sent the New Orleans Christian Advocate (615), the largest number ever reported by a district in the patronizing territory. The Alexandria Church is giving large attention to the soldiers in adjacent army camps. The work of the Wesley Foundation at Natchitoches is growing. A Christian Adventure Camp and a Christian Life Camp were conducted at Camp Brewer.

During the year the Superintendent suffered a long illness and he records his gratitude to pastors and people for carrying on well and for their many kindnesses to him. Affliction is not without blessings—one is that it brings a man to an increased knowledge and appreciation of his friends.

R. H. HARPER, District Superintendent

Baton Rouge District

This is the sixth and last report that we are making for the Baton Rouge District, and we think it but fitting that we make a short resume of the work done during the six years we have served on the District.

We have traveled better than 200,000 miles during the six years, preached 2,110 times, sent out of our office 57,205 pieces of mail, besides the numerous conferences we have held. The laymen and preachers have responded in a great way to whatever leadership we have been able to give and the District shows the result of their hard work.

The District paid a bit more than \$25,000 for ministerial support five years ago; this year coming it will pay more than \$47,000; the total giving of the District six years ago was a bit more than \$70,000, while this year it will be a bit more than \$147,000. Nearly every charge in the District has made some improvement in its plants, either the church or the parsonage; five new churches have been built along with four new parsonages, the district parsonage has been built over and re-furnished, and five new station charges have been created. We have had a net gain of nearly three thousand members in the six years.

Time will not permit and your patience would not allow us to go on into detail concerning the report this year, but we are happy to say that this was the best year of the six. Nearly every charge in the District will pay every cent that it agreed to pay at the beginning of the year. We are not paying as much as we would like to for world service, but we have made more than sixty per cent gain in this field in six years. We have enjoyed the work, and the fellowship with the brethren has been all that one could desire. We wish to thank all those with whom we have worked these six years for every courtesy which they shown us.

J. HENRY BOWDON, District Superintendent

Lake Charles District

With a considerable measure of satisfaction I submit this my report of the Lake Charles District. Whatever credit may be deserved by any achievement mentioned is to be attributed to the faithfulness, zeal, vision, and loyalty of the pastors of the district. Each one has pursued his task with courage and self-forgetfulness.

In the field of evangelism, the rewards have been heartening. With incomplete reports, approximately 700 have been added to the membership of the churches. A new high in additions on profession of faith was reached by the addition of some 350 members, and more than that number by certificate. One new congregation has been formed, Davidson Memorial in Lafayette, with a membership of something over twenty-five members and a church school of over forty. Yet, because of the rapid growth of the population and the promise of many more by reason of great numbers of new industries, the field remains "white unto the harvest".

In the field of Christian education, the work has gone steadily forward. The church schools are well officered and show a continuing improvement. There were enrolled 238 in training schools, 23 churches were participants, and 188 credits were awarded. Three camps were held for the young people with 225 in attendance, as well as a camp for young adults with an attendance of some 50. Eleven Vacation Schools, with an attendance of 733 were reported, and several were held that were not reported. Three of the charges were visited by Youth Caravan teams, and were benefitted by the inspiration and information of their ministry.

We regret that this fine educational work was not accompanied by a corresponding increase in the distribution of Christian literature. While we enjoy a rather healthy circulation of the Christian Advocate, we do not have the circulation of the New Orleans Christian Advocate that its quality and usefulness deserve. We did secure more than the number allocated to our district, but hope to have many more.

The district has enjoyed a distinct advance in the matter of building and equipment. A splendid and modern new parsonage has been completed at Leesville, practically debt-free. A very much needed education building has been completed at Sulphur, likewise with but little or no indebtedness. At Vinton, a complete modernization of the church has added greatly to its usefulness and beauty. Work on the new church at Eunice will be started within a very short time. The new congregation at Davidson Memorial in Lafayette has acquired property that lends itself well to church purposes.

The Day of Compassion was observed by the churches with a fine response. Over \$1,700 was raised and remitted, more than the quota assigned. The outlook indicates that the district will pay an amount equal to its acceptances on the Benevolences and practically all ministerial support will be in full. The Orphanage and other special causes will receive offerings equal to or exceeding that of previous years.

We have endeavored to reach all the people of the district with our ministry. Few places are beyond the reach of our churches, but we cannot say that all the churches provide adequate services. The outlook is most promising for a continued expansion of the Church. With the fastest growing centers of population in the State within the borders of the district, with millions being invested in new industries that will bring in many others, Methodism faces a definite challenge and an unsurpassed opportunity. May she rise to her task.

B. H. ANDREWS, District Superintendent

Monroe District

It may be truly said that the Monroe District has had a good year. There has been a net gain in membership of 893 according to reports made at the fourth Quarterly Conferences. Of this number 549 were on profession and 244 by certificate. Mer Rouge leads the district with 81 received on profession. West Monroe follows with 74, Delhi with 70, Monroe, First Church, with 61, and Columbia Circuit with 45 received on profession. Other charges also made creditable showings.

In the matter of finances only two or three charges have failed to meet accepted financial obligations in full. Our people have responded well to the claims of the Church.

Three churches have been dedicated during the year. At Bastrop, Bishop Smith dedicated the church early in the year. The debt had been paid during last year under the leadership of Dr. M. S. Monk. The people of West Monroe, led by the pastor, Rev. C. K. Smith, finally liquidated the debt on that church and it was dedicated by Bishop Smith on the last Sunday in September. During last year Rev. J. C. Price of the Pioneer charge organized a congregation in a new community. This year a church building was secured—largely through his efforts. The value is \$1,500 and the building is clear of debt. The district superintendent had the privilege of dedicating this church on the first Sunday in November. The pastor, Rev. D. W. Poole, and people at Tallulah have cleared that church debt and it is now ready for dedication. In the summer of 1939 Rev. V. D. Morris organized a Sunday school at Columbia Heights. At the last Conference session Rev. Lea Joyner was appointed pastor of that community. She has succeeded in the organization of a church and has brought about the building of a church, valued at \$2,000, which is free of debt and now ready for dedication. At Mer Rouge

the pastor and people are in the midst of erecting an educational building at a cost of approximately \$6,000, which will have only a small indebtedness on completion. Improvements on church and parsonage property have been made at a number of places in the district. At First Church, Monroe, Dr. A. M. Freeman and congregation have raised something in excess of \$25,000 in two years toward the construction of an educational building and the remodeling of the present church building. Payments on the district parsonage have been met before the due dates and this debt has been reduced to \$1,065

Three new congregations have been organized during the year, namely: Columbia Heights as above mentioned, Waverly on Delhi charge by Rev. S. S. Holladay, and Alford's Chapel near Wisner by Rev. J. M. Alford, where they are now in process of constructing a church building. At Waverly it is planned to build next year. There are other points in the district where effective missionary work might be done were the means available to support such work.

All church organizations have been doing good work in the district. Mention should be made of the following: the Woman's Society of Christian Service with Mrs. E. C. Gibson as District Secretary, the Adult Division of the Church School with Mrs. D. C. Metcalf as Director, the Young People's Division under the leadership of Misses Margaret Clinton and Frances Smith, the Children's Division with Mrs. A. M. Freeman as District Director, the Golden Cross Society with Miss Frances Langford as Director, Lay Activities with Mr. W. B. Clarke and Mr. S. M. McReynolds as Lay Leaders. Twenty-one vacation church schools have been conducted in the district. Successful district camps were held for Intermediates with Rev. Ira W. Flowers as dean, and for young people with Rev. D. W. Poole as dean.

Our people have responded to every call of the church. The amount of \$1,187 was raised for the Day of Compassion. For the Louisiana Methodist Orphanage \$6,198.91 was raised. Figures for the amount raised for the Memorial Mercy Home Hospital are not available. The District raised its one-third of a ministerial scholarship for S. M. U.

Of charges served by Conference members giving full time only one paid a salary of less than \$1,200; that charge paid \$1,175.

Golden Cross funds raised in the district were shared with the Shreveport District. However, since the opening of the Conway Memorial Hospital in Monroe on the first of July, Rev. W. A.

Cross has been serving as chaplain and has received some remuneration from Golden Cross funds. There is a balance on hand which came in within the week. This will be used for the work of next year.

One young man has received license to preach in the district during the year. We have had a good year and are grateful to our Heavenly Father for this. Death has not invaded any of our parsonage homes. The widow of one of our preachers, Mrs. W. J. Porter, went to her reward during the month of September. Our people and preachers have labored well and God has blessed their labors.

W. L. DOSS, JR., District Superintendent

New Orleans District

During the year 414 have been received on profession of faith; by certificate and otherwise, 680; total, 1094. For pastors' salaries, with a total assessment of \$44,115, the amount of \$44,029 was paid. For District Superintendent \$5,258 was assessed and \$5,283 paid; for Bishops, \$1,090; paid, \$1,105; Benevolences, \$8,041; paid, \$8,467.

On church buildings and improvements \$21,227 was expended; \$16,154 was paid on indebtedness; paid on Golden Cross, \$1,878; City Board of Missions in New Orleans, \$1,252; indebtedness remaining on church and parsonage property, \$24,355.

Two charges overpaid on ministerial support; two charges failed to reach their full amounts. Four charges overpaid their acceptances on Benevolences, and three charges accepted and paid in full the amounts apportioned to them for Benevolences.

ELMER C. GUNN, District Superintendent

Ruston District

The spiritual state of the Church, as indicated by the number of members received on profession of faith, is not as good as we had desired or hoped. While a goodly number have been received by profession and certificate we wish the entire record might be better.

Christian Education has received increased attention witnessed by some new church schools organized and increased interest in many quarters. The number of vacation schools has been most gratifying. The Sibley charge under the excellent leadership of

Rex Squyres, the pastor, led the entire Conference in the number of schools held on the charge and the number of pupils reached.

Along with the splendid work of the Young People's Division in the local churches two highly satisfactory camps under the leadership of A. W. Townsend and W. O. Byrd were conducted at Caney Lake. Good work is being done by the Young People's Unions. Our young people are making a strong bid for a fair share in the life and work of the Methodist Youth Fellowship.

The Woman's Society of Christian Service under the leadership of Mrs. McDonald has taken advanced standing both in studies made and the many activities in which they have been engaged. Fortunate indeed is the superintendent and district honored with such an able working group of Christian women.

The Orphanage has received increased attention from our people. The cash gifts have amounted to \$13,468 while an increased amount of produce and foodstuffs have been contributed. C. B. White, the efficient superintendent, has added new laurels to his record.

The amount contributed by pastors and churches of the district to the Pastors' Sustentation Fund was more than \$600. We urge the establishment and expansion of this enterprise in our Conference. Through it we feel encouraged to look forward to a day soon to be when all pastors shall have income adequate for an efficient ministry.

During the year the board of the former Methodist Protestant assembly property at Chatham voted to present the materials of the buildings formerly used for assembly purposes to our Orphanage. These materials have made possible greatly needed material improvements at the children's home. Acknowledgement with appreciation, of those splendid gifts has been authorized by the Board of Directors of the Orphanage and such acknowledgement is hereby made. We suggest that our Conference express with an appropriate resolution its thanks to former Methodist Protestants who made possible this gift.

Some building enterprises have flourished. E. W. Day, pastor, and the people of the Gibsland charge, with their friends, are to be congratulated upon a most beautiful parsonage in which any preacher might be honored to live. The same has been dedicated. Durbin of Athens and his people have a splendid rebuilt parsonage now nearing completion. R. M. Brown, pastor of Arcadia, with the people and friends of the Mount Moriah church, is to be congratulated upon a beautiful stone church building nearing com-

pletion. J. J. Rasmussen with the Methodists of Minden, having adequately furnished the commodious educational building enterprised by Dr. N. E. Joyner, have moved into these quarters for their educational work. A rousing salute to W. D. Milton and his people at Jonesboro who have completed the educational unit of a beautiful church plant. Worship and church school are now being conducted in the building. Repairs and improvements in our properties have been made elsewhere.

The superintendent offers hearty thanks to God and the splendid company of preachers, district staff, officials, and rank and file of membership for support and cooperation during the year. And he herewith lays a liberal tribute at the feet of these who deserve the credit for the achievements mentioned in this report and for the many other things equally worthy of record known to God.

D. B. RAULINS, District Superintendent

Shreveport District

The report of the Shreveport District for the past year is of the blending of the efforts of the ministers and the loyalty of the laymen in the area covered by the District.

Belcher and Gilliam with B. D. Watson brings in a full report. This charge is made of a most faithful, loyal and dependable membership with the largest per capita giving in the District. Bossier City under the leadership of A. P. Smith registers progress. There have been increase in the salary and improvement in the Church building. On the Converse Circuit, Dr. Fred E. King has served sacrificially and laid the foundations of a good report. Coushatta with H. A. Rickey reports the organ completely paid for and the promise of an increase in salary for next year. Grand Cane had a wonderful year with J. P. McKeithen. The outstanding achievement is the very much needed renovation of the parsonage. F. C. Collins in Greenwood has rendered a faithful and constructive ministry, the results of which are shown in the progress of the work. At Hall Summit, E. M. Mouser has done well. In spite of the tragic failure of the crops, several of the churches have been repaired, and the work will be continued next year. Haughton and Doyline has gone through the upheaval and the excitement of the new government munition plant under construction there. J. J. Davis, the pastor has kept things under control. At Ida and Hosston, T. F. King has completed a constructive quadrennium which shows the churches on the charge renovated, the parsonage greatly improved and an advance in the salary. He was assisted at Munnerlyn Chapel by Sister Mary E. Perdue and after her untimely death, by Brother Morris G. Lee. Logansport has been a large circuit served by W. O. Lynch and A. W. Coody. Both give the best report ever made from that charge. In Mansfield, Dr. M. S. Monk has endeared

himself and led his people in that same splendid program of activities for which Mansfield is well known. Mooringsport had just greeted Dr. Briscoe Carter as its pastor when he became ill and transferred to the Church Triumphant. His mantle fell on the shoulders of his brother, Van Carter, and his excellent report will be made at the Conference when the class for admission on trial is called. Oil City is learning how to be a station under the leadership of J. F. Kilpatrick. Pelican is one of the finest country circuits in this Conference, and A. A. Collins knows how to do the work. The same can be said of Plain Dealing and L. A. Carrington. Rodessa should perhaps receive special notice. There S. S. Bogan went and had to start from the ground up. Tonight he brings a report to this Conference of a beautiful church building, a lovely parsonage all of it debt free, a splendid membership and a salary of \$1,200.00; and he says that now that the appointment is securely established, he is surrendering it to a younger man and wishes to be assigned to start something somewhere else.

In Shreveport, Broadmoor is two years old, and George Pearce is going strong. The church lot has been paid for eighteen months in advance, the salary has been raised, and nearly \$15,000 has been secured for the church building. Cedar Grove under the leadership of L. E. Douglas has reduced the debt and developed the work. First Church with Dr. Dana Dawson and Bentley Sloane, like the stars goes from glory unto glory, and its achievements are too numerous to recite. Mangum Memorial has had a good year with W. H. Royal. Some additional ground has been purchased, and the church is looking toward a plant that will adequately take care of the growing congregation. Noel Memorial with Dr. F. M. Freman entertained the State Conference of the Woman's Society of Christian Service, and has extended to our Conference its genial hospitality. The beautiful Educational Building was erected this year. Park Avenue had a good year under the leadership of W. D. Kleinschmidt. Wynn Memorial did the same under G. A. LeGrange, and is one of the growing churches of Shreveport.

Vivian reports an unusual growth in membership, thanks to the work of N. E. Joyner. Zwolle has been busy building a new church. A. M. Brown is serving there his first appointment and has shown all the courage and wisdom necessary in this building program.

The one who had the most difficult task is R. T. Ware at the Charity Hospital. We hope that the Conference will have time at a suitable hour to hear the reports of our hospital pastors which represent so splendidly the spirit of the Gospel at its best.

All in all we have had a good year, and everyone in his own way has sought to discharge his duty faithfully. God has been good to us, and we are grateful.

A. M. SEREX, District Superintendent

BIBLE BOARD

The Bible is a wonderful Book, containing God's revelation to men—wonderful in age and preservation, in authorship and originality, wonderful in its influence and effects on the hearts of men, and wonderful in beauty and literary excellence.

The Bible is the most widely loved and cherished Book. It is found, not only in our churches and homes, but also in hotels, armies, navies, legislative halls, courts of justice, and among secret fraternities. One of the most ancient orders conducts all its work with an open Bible in the midst.

Therefore we stress the importance of Bible reading and study and urge all pastors to stress this as an imperative duty and a precious privilege. And we insist that the Bible should be read in all our public schools.

We recommend the work of the American Bible Society and we note with pleasure the work of Rev. W. B. Valkenburgh as a representative of the Society. We recommend his reappointment to this work.

R. L. CLAYTON, Secretary J. M. ALFORD, Chairman

BOARD OF CHRISTIAN LITERATURE

We congratulate our Methodist publishers upon the excellent showing made during the past year, and we urge all our churches to secure all literature from our Methodist Publishing House. We feel that our new literature is the best that can be had. We congratulate the General Board of Education upon giving us better and better material for our work, and the editors of The Upper Room and The World Outlook for special service rendered. We urge the use of The Upper Room with the Bible in family devotions and the reading of The World Outlook to keep aflame the fire of missionary zeal.

Your Board believes the Louisiana Conference, in line with the action of the two conferences in Mississippi, should actively support the New Orleans Christian Advocate because we feel there is definite need for a church paper dealing primarily with the interests of Louisiana and Mississippi Methodism.

We request the District Superintendents to report outstanding news from the districts monthly that our people may keep pace with the march of the Church.

We respectfully request Bishop Smith and the cabinet to reappoint Dr. W. L. Duren as Editor and Manager of the Advocate, and recommend the election of J. W. Reily, B. H. Andrews and A. M. Serex to membership in the Publishing Committee. The Board suggests that the following be named as District Advocate representatives: (See Boards, etc.). We further recommend the Christian Advocate (Chicago) for news of the Church at large.

A. W. TOWNSEND, Secretary DON L. HARWELL, Chairman

BOARD OF CONFERENCE CLAIMANTS

Report 1

Whereas, soon after the adjournment of the 1940 session of the Annual Conference, three of the active members of the Conference deceased and left widows, claimants upon the Board, and a fourth member of the Conference broke down in health and was officially relieved of his charge, and

Whereas, the Board did not have sufficient funds in reserve to pay the claims of these persons, the Secretary of the Board polled by mail the members of the Board, the District Superintendents, and others, relative to the manner in which to meet the emergency,

It was determined that the majority were in favor of using some of the funds of the current year to pay the claims of these persons, with the understanding that the action of the Executive Committee be approved by the Conference.

The following appropriations were allowed:

Mrs. R. L. Weldon.....	\$150.00
Mrs. A. S. Lutz.....	150.00
H. B. Varner.....	15.00

From the reserve fund on hand:

Mrs. C. B. Carter.....	\$150.00
Rev. W. F. Henderson.....	150.00

out of the current year's fund.

We, the Board of Conference Claimants, endorse the action of the Executive Committee, and ask the approval of the Conference of that action.

Report II

Whereas, Paragraph 1339, Section 7, provides "that each Annual Conference may set apart such part of its funds as it may desire to supplement the appropriation for necessitous cases," we, therefore, ask the approval of this Conference to hold in reserve the sum not to exceed \$1,000 at the close of the Conference year for the purpose of meeting the emergencies which may arise in the interim of the Annual Conference, and that that amount annually at the beginning of the Conference year be kept at \$1,000.

Report III

Whereas, the statistical report of the Conference reveals that some charges in the Conference made no payment at all on the assessment for the support of the Conference Claimants, and other charges failed to make full payment of 6 per cent of pastor's salary to this fund, we therefore, request the pastors of the charges concerned and the District Superintendents to call attention to these defaults, and make every effort to collect the assessments in full. Where such assessments are not paid in full, we request that all funds raised for the support of the Ministry be divided among the several causes as provided in the Discipline on a percentage basis.

Report IV

Whereas, the Discipline directs in Paragraph 1313, Section 4, that "Each congregation shall observe annually one Sunday in the interests of Conference Claimants, which shall be known as 'Veterans' Day,'" we recommend that the Sunday next preceeding Christmas be designated as "Veterans' Day" and that suitable recognition be given to the sacrificial services of the claimants, and that an offering be taken to be credited on the assessments for Conference Claimants.

We respectfully call attention to the need of homes for some of the claimants, and request that pastors, District Superintendents, and other interested church leaders bring this need to the attention of proper persons who might be interested in providing homes for superannuates. We suggest that where such a home is provided, title to same may be held in the name of the local Methodist Church.

Report V

We submit the following report of receipts and disbursements:

REPORT OF COMMITTEE ON COURTESIES

The Louisiana Annual Conference is happily familiar with the gracious hospitality of Shreveport Methodism. Since December 28, 1849, this is the tenth session of the body in this fair city. The reputation thus acquired has been fully sustained—enhanced if possible—by the cordial welcome, continuous courtesy, and unrestrained friendliness shown the Conference at this session.

We desire to express our grateful appreciation for all this kindness—especially to Dr. F. M. Freeman, pastor of the J. S. Noel Memorial Methodist Church; Mrs. Marlin W. Drake, Chairman of the general arrangement committee, and to all those directly associated with them in making such complete preparations for such perfect entertainment. We must not fail, however, to include with these pastors and members of all the other Methodist churches of the city, who have cooperated whole-heartedly in all the plans for our comfort, convenience, and happiness.

We desire to make appreciative acknowledgment of the fine coverage of our proceedings by the newspapers of the city, and of the kindness of business firms for various courtesies, also station KWKH. We include, too, the weather man for five days of perfect weather.

Resolved, That we pray God's richest blessings upon this city and all our friends for their manifold kindness to us, and that we express our gratitude to them by a rising vote.

REPORT OF DEACONESS BOARD

In compliance with the rules of the Discipline the Deaconess Board was organized at the meeting of the Woman's Society of

Christian Service, April 29, 1941. The next meeting of the Board was called November 13, 1941, at 3:30 p. m. Because of the pressure of other duties the District Superintendents were unable to be present. This is a distinct loss as the counsel and advice of the District Superintendents is necessary in the promotion of the work in their Districts. The Board recommends that a more appropriate time of meeting be arranged in the future.

The Board is conscious of the advantages which are possible through closer cooperation between the Deaconesses and the Ministers in the eight types of work now being done in Louisiana. Deaconess Julia Southard, Deaconess Julia Lovin, Deaconess Emma Vogel, Miss Mary Sugart are at St. Marks Community Center in New Orleans, a Social Settlement.

Deaconess Shelia Nuttall is now in the Monroe District working with rural churches out from Transylvania. The work in our State Colleges under the Wesley Foundation is done by Deaconess Mamie Chandler at the Louisiana State Normal at Natchitoches, by Deaconess Betty Glasson, who has recently come to Southwestern Institute at Lafayette, and Miss Thelma Hubbard, also a newcomer, at Louisiana Tech in Ruston.

The school work is being carried on for the French children at MacDonnell School in Houma by Deaconess Ella K. Hooper, Deaconess Lillie Hendricks and their ten employed co-workers; at Sagar-Brown Home for negro children by Deaconess Eva M. Calloway, Miss Vivian Unruh, and Miss Strein.

The business Girls' Inn in Shreveport is providing a home for business girls away from home, under the direction of Deaconess Mary Freeman. Deaconess Grace Gatewood is serving as deaconess of First Methodist Church, Shreveport. This makes a total of fifteen trained women under appointment in the Louisiana Conference.

In these days of strife and confusion, when the world seems at its worst, the Deaconesses at work in the Louisiana Conference pledge their loyal support in making the Church be at its best.

REPORT NO. 1—BOARD OF EDUCATION

CENTENARY COLLEGE

The enrollment at Centenary College at the meeting of the Annual Conference in 1921 was 99. This figure rose rapidly until the depression of the early 1930's began reducing attendance, and in the spring of 1933 it came under 300. In the school year 1940-1941 the total enrollment, counting night school, summer school, and regular session, reached a new high of 1457 registrations. In the current semester there is a drop in enrollment amounting to less than 10%, while most schools in our area have lost from 12% to 20%. In a recent survey we have found there is a decrease in enrollment of approximately 10% in both church and state schools due to the draft of young men for national service and to lucrative positions open to young men and women of college age.

In the past ten years approximately 50 young ministers have had training at the College. There are 85 members of this Conference who are alumni of Centenary College. Exactly 100 degrees were conferred in 1941. Out of this class eleven students are pursuing graduate study and 28 are teachers. Perhaps, one of the greater contributions of the College is to the teaching profession. Her graduates are serving from the kindergarten to the greatest universities of church and state

The night school is rendering a signal service to the environs of the College. A school of aeronautics is being operated and has trained about 350 pilots, many of whom have distinguished themselves in the service. An able and efficient faculty of forty-four members is directing the training of a promising student body.

It has not been the wish of your Board of Education to introduce into this Conference anything of a controversial nature or that could have a tendency to affect the fine unity in our Conference. This has already been done, however, much as we may regret it. In view of the fact that the Trustees of the College have been severely criticized, largely from a single source, for the way in which they have handled endowment funds, the social life and the athletics of the College, we have asked that they give a statement in the way of explanation covering the items involved. Their statement follows:

Endowment

"The present management and direction of Centenary College dates from the Spring of 1933. As a result of an expanding program and a depression which was a financial collapse, it inherited many problems which it was called on to solve, as it best could. Its task has been one of reconstruction. It was necessary to keep the College operating and at the same time with a limited income provide for the retirement of previously contracted, heavy obligations.

"\$300,000. in bonds had been issued by the Conference in 1925, principally for the benefit of the College. This issue had gone into default and the College Endowment was used to take up these defaulted bonds as follows:

1928	\$20,000.
1929	20,000.
1930	24,000.
1931	30,000.

Total	\$94,000.
-------	-----------

"After being acquired by the College these bonds were never carried anywhere except in the Endowment fund. Being non-productive they greatly reduced the endowment income and contributed to operating difficulties.

"In 1938 a refunding plan was proposed by Mr. T. L. James, under which the College Endowment acquired an additional \$56,000. investment in the issue, making \$150,000 in all. Through this plan the entire investment was made productive at a rate of three per cent per annum. This plan was first approved at a meeting of the College Board of Trustees on February 7, 1938, and finally put into effect at a special meeting of the Louisiana Annual Conference held at Alexandria some months later. Provision was made in the plan to settle and retire the remainder of the issue.

"Another problem inherited by the present regime was a bond issue of \$150,000. floated in 1931 to refund operating deficits. To secure this issue the income from the College Endowment Fund had been pledged. All of these bonds matured in 1936. It was further provided that should they not be paid at maturity all Endowment Income was to be applied toward their liquidation.

"Still other financial problems were pressing. Shreveport Banks held College notes aggregating \$36,000. Faculty salaries were far in arrears and large amounts were owed to merchants and others.

"Faced with such handicaps the College Board sought the best possible solution. Some disposition had to be found for the \$105,000. bond issue, the approaching maturity of which presented the gravest problem. The matter was discussed fully at the Board meeting of June 6, 1934. The Board unanimously approved a plan to acquire the bonds by purchase with Endowment Funds provided the concurrence of the Rockefeller Foundation could be secured. Bishop Hoyt M. Dobbs, the Chairman of the Board, and Mr. B. W. Marston, Chairman of the Finance Committee, addressed a letter to the Foundation explaining the situation. The Secretary wrote in reply that taking into consideration the conditions existing the Board would have to do the best it could.

"Some six weeks later the College Executive Committee met and authorized the Finance Committee to acquire the bonds. There was but one dissenting vote recorded.

"The following year a full report was made to the Board of Trustees at the Annual Meeting held on May 29, 1935. No protest or objection was raised at that time by any member of the Board.

"In May of 1940, one of the buildings on the College Campus was condemned as unsafe and ordered demolished by the City of Shreveport. This created an immediate problem as the building had been used to house all science laboratories and provision had to be made to continue these highly important departments. An effort was made to secure the necessary funds from contributions, but with scant success.

"The Executive Committee faced the problem with conviction that immediate action was necessary to continue the operation of the College. Accordingly, a loan of Endowment Funds of \$36,000. was authorized. Four per cent interest has been paid on this loan to date and five per cent of the principal has been retired.

"These were not ideal solutions. They were the best available."

Social Life

"The social life in the College is like the social life in the home and in the local community. Every parent and minister realizes this. Your Board of Trustees has been very diligent and conscientious in dealing with the social life of the students. It has been difficult to deprive them of the forms of social life they had at home and in the home community, and which is practiced in a large number of our schools throughout the country. The Board in its Annual Session, May 28, 1941, was faced with this painful fact: The larger part of the social life of the College was off the campus, and beyond the control of the faculty, and in an environment which was wholly detrimental to the moral and spiritual life of the students. We did not want to further be held responsible for a situation like this. We did not think it fair to place such a responsibility on the faculty and keep it there; so with a view of finding the most satisfactory solution possible, and in fairness to the Church, to the Conference, and in interest of the young people themselves, we adopted the following resolution May 28, 1941, not as a 'Cure all,' but as a measure, which we hope, will greatly improve the whole situation:

'Resolved, that the President and Faculty of Centenary College be given the authority to control and regulate all social affairs on the campus, and that no dance be given except on the campus under strict faculty supervision.'

"Your Board of Trustees and Faculty of the College will supervise the social life with a view to finding a more satisfactory solution

than we have yet found. We want your help. We feel sure you will give us a sympathetic co-operation towards the securing of the best possible results."

Athletics

"The problem of athletics is one to which the College has probably made undue contributions in the past. It cannot, however, be doubted that in the early twenties the College enrollment was largely increased because of its expanded athletic program. The operation of football teams is a problem which confronts most every university and college in the country. During the past few years consistent effort has been made to bring the expense of such a program within more moderate proportions.

"At the meeting of the Board of Trustees held May 28, 1941, the Chairman of the Athletic Committee reported to the members of the Board that no contracts would be made beyond December 31, 1941, and it was decided that at the close of the present football season a full meeting of the Board of Trustees would be held to consider the entire situation and to outline a future program for athletics at the College.

"A call meeting of the Board of Trustees was held at the College November 11, 1941, at which time Mr. Charlton H. Lyons, Chairman of the Athletic Committee, reported to the Board there was a possibility that the business men and friends of the College in Shreveport could work out a satisfactory solution. Therefore, the following motion was unanimously adopted by the Board of Trustees, to-wit:

"That the athletic program be continued, provided that adequate funds to finance the program can be secured from the friends of the College, and that a meeting of the Board of Trustees be held within thirty days to give further consideration to the matter."

"It appears at present that the Board of Trustees will favor a discontinuation of the intercollegiate football program unless it can be financed without any revenue from the College."

Recommendations:

1. It is the judgment of your Board of Education that the Board of Trustees of Centenary College has conducted the financial affairs of Centenary College honestly, and under the difficult conditions which have obtained in recent years, wisely. We recommend that the Board of Trustees restudy the provisions of the Charter of the College and in all matters pertaining to the handling of endowment funds, be governed according to said provisions.

2. Whereas, Centenary College is the property of the Louisiana Conference of the Methodist Church:

Whereas, the Board of Trustees of Centenary College is acting as agent of the Conference in the administration of the affairs of the College;

Whereas, at its last annual meeting the Board of Trustees of Centenary College took an action, the effects of which were to introduce dancing on the campus of Centenary College;

Whereas, the Louisiana Annual Conference disapproves the Policy of having dances on premises which belong to the Conference;

Be it therefore resolved that we, the Louisiana Annual Conference request the Board of Trustees of Centenary College to rescind its action allowing dances to be held on the Campus; and be it further resolved that the administration of the College be instructed to discontinue the practice recently introduced of having dances on the Campus.

3. Your Board of Education recommends that it is the sense of this Conference that the present intercollegiate athletic program at Centenary College be discontinued unless sufficient funds are provided from outside sources to make the program possible without drawing from College revenues. The reason for this recommendation is that no College funds are available for this purpose.

4. One-third of the members of the Board of Trustees of Centenary College are elected annually by the Board for a period of three years and confirmed by the Louisiana Annual Conference. We recommend that the following trustees, who have been elected to serve until 1944, be confirmed by the Conference: M L. Bath, R. T. Moore, H. A. O'Neal, Dana Dawson, Guy M. Hicks, W. W. Holmes, B. F. Roberts, George D. Gray.

We also nominate Dr. R. E. Smith as a professor in the College.
Closing Word:

Centenary College belongs to the Church. The success of it depends on the co-operation of us all. The Church College continues to have a great ministry. Centenary has contributed much to our Conference and to the Christian Cause.

Centenary College with its fine traditions and its long and effective service is one of Louisiana Methodism's most priceless possessions. Today it is better equipped to serve than at any time in its history. It is fully accredited in the Southern Association of Colleges. It has earned a large measure of public confidence and support. It has a competent faculty. Its standards of honor and integrity commend it to the young men and women of highest character. Its ideals and instruction reflect the moral and spiritual tone of Methodism at its best. Its contribution to culture and Christian civilization should be recognized, enlarged and perpetuated by the Church.

REPORT NO. 3—BOARD OF EDUCATION

"In order to supplement the inadequate funds now at the disposal of the Louisiana Methodist Student Conference for work with Methodist students on college campuses in Louisiana, we recommend the cooperation of the Annual Conference in authorizing each Wesley Foundation or Methodist Student Movement organization in the State to solicit five dollars (\$5.00) per resident student from local churches represented on its campus, forty per cent of such contribution to be used for student work on the campus of the soliciting Wesley Foundation or Methodist Student Group, the remaining sixty per cent to be sent to and disbursed by the executive council of the Louisiana Methodist Student Conference for the

advancement of the Methodist student program in the Conference as a whole, such as: (1) obtaining outstanding leaders for campus visitation, (2) sending delegates to National, Jurisdictional, and Conference student meetings, (3) purchasing equipment for student work on college campuses, and (4) looking forward to obtaining a paid Conference Director of the Methodist Youth Fellowship. Such solicitation is to be promoted by the Conference Director of Student Work, the Student Secretary of the W.S.C.S., and the Wesley Foundation or Methodist Student Movement group on the respective campuses involved."

REPORT NO. 4—BOARD OF EDUCATION

We recommend that the Louisiana Annual Conference accept the legal ownership of Camp Brewer, located sixteen miles south of Alexandria, Louisiana. The legal details involved in the transfer of this property from the Alexandria District to The Louisiana Annual Conference are in readiness for completion. Camp Brewer is a camp site with a roughly estimated value of from \$12,000 to \$15,000. There are 41.5 acres of land, twenty-one one-room cabins, a large dining hall and well equipped kitchen, an assembly building with a seating capacity of 800, a three room caretakers cottage, two light plants, and running water.

The upkeep of the buildings and grounds shall be largely financed by ground fees. At present Camp Brewer is entirely free of debt.

We nominate the following members on the Board of Trustees of Camp Brewer: Until 1942—R. H. Harper, Wade Jones; until 1943—A. F. Hanson, Ira W. Flowers; until 1944—Charles N. White, Floyd B. James, Edward R. Haug.

REPORT NO. 1—BOARD OF HOSPITALS AND HOMES

We have had before us the report of the President of the Board of Directors and the Superintendent of our Louisiana Methodist Orphanage, and we are glad to report progress in this great work. We heartily commend the work being done by Reverend C. B. White and his splendid staff of co-workers.

We recommend: That Easter Sunday and the second Sunday in October, designated as Harvest Day, be set aside as special days upon which collections shall be taken in each pastoral charge for the support of the Orphanage program; the confirmation of the election of B. C. Taylor to fill the unexpired term of Briscoe Carter; also the confirmation of the following directors: W. T. Murray, Tom Connell, and Glenn Shadow, and the full cooperation of the

Conference in the plan of erecting a chapel on the Orphanage campus.

A copy of the report including the financial report is submitted without reading.

REPORT BOARD DIRECTORS OF ORPHANAGE

I am submitting herewith, the Annual Report of the Superintendent of the Methodist Orphanage, Rev. C. B. White, including financial statement and statement of J. H. Mayes, Treasurer of the Board, together with copy of the minutes of our Board of Directors meeting which was held on October 28, 1941.

I especially want to call your attention to the number from the Home attending the high schools and colleges here in Ruston, and as a citizen of Ruston, I have observed in the normal operations of these schools our children from the Home appear to be above the average of the regular attendants and that as shown by their work, quite a few of them are developing into outstanding citizens of our community.

In a public round-table talk discussion during Religious Emphasis Week, of the six Tech students selected for this discussion, one of the children from the Home was selected in this group. The Homecoming Queen selected by vote of the high school students for this year was a young lady from the Home, and from the freshmen class I note that one of the smallest members of the football team who gets more of a hand from the spectators than any other member was a young man from the Home.

You will notice in the financial report that we received in contributions the exact amount that we spent last year. This came about by reason of the fact that one of our local citizens from another church in Ruston happened to be in the office of our Treasurer when our Superintendent was turning in his financial report of collections, which showed that he lacked a few dollars receiving the amount that he had spent for the year, and this gentleman volunteered and did write his check to cover this difference. I mention this to show you how this Institution rates here in its home town.

You will notice from the minutes of the Board meeting that we requested that you set aside Easter in the Spring and the second Sunday in October as Work Day in the Fall, to put special emphasis on the collection for our maintenance fund, and that you appoint Rev. C. B. White as Superintendent and Rev. R. W. Vaughan, as Superintendent Emeritus for the coming year.

Our Board at its meeting also agreed that we would put on a campaign to build a chapel at the Orphanage, about which I expect to write you a special letter before you meet on November 12.

The Secretary of our Board, Rev. Guy M. Hicks, together with the Superintendent, Rev. C. B. White, would each like to make a short statement to the Conference, and I trust you will grant them the time and would personally appreciate it if you will also make a short statement regarding the work of the Orphanage, for which I thank you, and remain

Yours very truly,

T. L. JAMES,

President of the Board of Directors,
Louisiana Methodist Orphanage

ANNUAL REPORT

Of The Superintendent Of The
Louisiana Methodist Orphanage

From October 1st 1940 to October 1st 1941

To Dr. T. L. James, President, and members of the Board of Directors, of the Louisiana Methodist Orphanage, in regular session, Tuesday, October 28, 1941, Ruston, Louisiana.

Dear Brethren:

This is my fourth Annual Report as Superintendent of our Orphanage, and covers the period of our fiscal year, from October 1st 1940 to October 1st 1941.

We have had 178 children in the Home during the year, with 17 new children being admitted and 9 being permitted to leave. The present enrollment is 169. We have 18 boys and girls in college attending Louisiana Tech, 55 in Ruston High School, 12 in seventh grade attending the Eastland Grammer School in town, 77 in our Home school through the sixth grade, and 7 who are too small to attend. We had 12 to graduate from high school this year.

Our children have enjoyed good health, with only minor sickness from time to time. A few operations have been made, but recovery was rapid in each case. There has not been a death in the Home in many years. We are thankful indeed to our Heavenly Father for His blessings and care over us.

I am glad to report that our work has progressed nicely during the year. We have been able to make a few needed repairs which have improved our plant considerably. Following the burning of our barn by lightning in January we were able to secure enough cash not only to rebuild the barn, but to make several other repairs and improvements. We collected \$1,000 in insurance from the barn that burned, received slightly over \$2,500 in cash contributions, approximately 20,000 feet of lumber and a few other materials from friends and sawmills nearby. We also received a contribution of two large buildings from the former Methodist Protestant Church.

These buildings were the former Young People's Camp buildings at Chatham. We tore down and hauled all the lumber here which was approximately 45,000 feet. With this much cash and materials on hand we rebuilt the barn that burned, tore down the two remaining barns and rebuilt them into a tool shed and large work shop, a new meat market, repaired and painted our refrigeration plant, repaired and painted our potato kiln, refinished the girls' two dining rooms and kitchen, repaired four play rooms, repaired the sewing room, added a small library for the smaller girls, built a new road leading to our dairy barn, tore down and rebuilt a big hay barn, built another barn and joined the two with a large shed for grinding feed, made repairs on the home of the farm manager, and a few repairs on the boys' cottages.

Since our buildings are all in a good state of repair and considerable improvements have been made about the place, we are anxious now to make improvements on the interior of our buildings. The equipment in the way of beds, springs, chairs, tables, living room furniture and cook stoves are badly in need of repair and replacement. Plans are now under way to place new beds and springs in our girls' building.

Due to unfavorable weather conditions our spring crop of tomatoes failed to produce as we had expected. The same is true with the vegetables we had planned to can. We have very little canned foodstuff on hand at present. However, we had a good feed crop but not sufficient for our winter needs. We hope to make at least 500 gallons of syrup from our cane crop which will be harvested soon. Our dairy herd continues to produce an adequate supply of fine milk and butter. We have a large hog farm which will produce our winter meats.

Our children respond encouragingly to our efforts in training them in the Christian way of living. We meet in prayer meeting with them three nights a week, and 130 of them attend church and Sunday school in town every Sunday, and the smaller ones have Sunday school provided for them on the campus of the Home.

Our financial condition is shown in the following statement:

REPORT No. 2—BOARD OF HOSPITALS AND HOMES**I—Golden Cross**

Having no hospitals in our Conference, we are appreciative of the privilege afforded us in the use of Golden Cross Funds for the support of hospital chaplains. We have before us reports from the various chaplains serving the various hospitals throughout our Conference and are gratified in the growing amount of good being done by these men. We are happy to report that two of these chaplains are full-time workers and we feel that we should look forward to the increasing of this number.

WE RECOMMEND:

(1) That each District Superintendent appoint a Golden Cross Committee to serve in their respective Districts, with the Golden Cross Director acting as Chairman and Treasurer of the District, subject to the approval of the District Conference. That said Chairman make an annual report to the Conference Board of Hospitals and Homes of all money raised and how expended.

(2) That each District Golden Cross Treasurer remit ninety-five (95%) per cent of all Golden Cross money collected to the hospital chaplain assigned to his district; the remaining five (5%) per cent to be sent to the Conference Golden Cross Treasurer. One (1%) per cent to be forwarded to the General Board and the remaining four (4%) per cent to be used for Conference Golden Cross promotional work under the direction of the Conference Board.

(3) That Edgar E. Cayard, Bodinger Blvd. New Orleans, be elected to fill the place of Captain H. J. Thompson who has resigned to serve on the World Service Commission.

(4) That Mrs. H. H. Hoff be elected as Conference Director of Golden Cross and Edgar E. Cayard as Conference Golden Cross Treasurer.

(5) That wherever possible arrangements be made to pay the salary of the Chaplains monthly.

(6) That the week beginning the Second Sunday in May and ending the Third Sunday in May be specifically set aside as Golden Cross Week, in accordance with disciplinary provision, and that collections be taken in each pastoral charge for the support of our hospitalization program.

(7) That the following apportionments be made to the several districts for the support of the Conference Golden Cross hospitalization program.

Alexandria District	\$ 250.00
Baton Rouge	350.00
Lake Charles	500.00
Monroe	300.00

this worthy institution. We have a copy of the audit report furnished our committee and find the financial affairs of the home in good condition. A summary of the year's work is as follows:

RESOLUTION

Creating a Joint Board of Trustees for Certain Annual Conferences of the Methodist Church.

Whereas, in 1925, there came into the hands of the board of Trustees of the Southern Methodist Conference of the Methodist Episcopal Church, approximately \$29,000, from the sale of the Waco Methodist Church, Waco, Texas, said fund to be held for five years with the understanding that if no church was reestablished in Waco, during said five years, said funds should thereupon become the property of the said Southern Conference; and,

Whereas, in 1926, it was determined that no church would be reestablished in Waco, Texas, during said five year period; hence said funds did on or about the 5th day of December, 1926, become the property of said Southern Conference; and,

Whereas, said Board of Trustees of said Southern Conference in 1926 put a large portion of said funds out on interest in a number of loans to different parties; and,

Whereas, said Conference, by action duly taken at its session held at San Antonio, Texas, in December 1926, as appears on page 145 of the Journal of said Conference, appropriated said funds to the following churches, in amounts as indicated, to-wit:

Name of church	Amount Allocated	Amount Paid
Needville	3,000	1,000 (1939)
Schertz	\$3,000	\$1,000 (1927)
Orange Grove.....	700	700 (1928)
Hackberry St. S. A.....	1,000	1,000 (1927)
Rosenberg	1,200	200 (1927)
Copperas Grove	1,200	1,400 (1927-1929)
Schulenberg	3,000	
Moody	1,000	500 (1930)
Fashing	1,000	1,200 (1929-1930)
Monthalia	700	
Brenham	1,000	
Settled for the District parsonage in 1938		
Brenham District Parsonage.....	900	
Caldwell	1,000	
New Orleans 8th St.	2,400	
Norhill, Houston	3,500	1,000 (1927)
Industry	1,000	1,000 (1927)
Meyer Settlement	1,500	500 (1927)
Perry	1,500	500 (1927)
Oakwood, Houston	1,000	1,400 (1927-1929)
Peters	200	200 (1927)
Sealy	400	400 (1927)

Whereas, before said loans could be collected and said funds actually distributed to said churches, the Methodist Episcopal Church

was united with the Methodist Episcopal Church, South, and the Methodist Protestant Church to form The Methodist Church, and the Southern Conference of the Methodist Episcopal Church was dissolved and merged with the following conferences of the Methodist Church, to-wit: Southwest Texas Conference, North Texas Conference, Central Texas Conference, Texas Conference, and Louisiana Conference, and:

Whereas, the Southern Conference, at its last session held in San Antonio, Texas, October, 1939, undertook to perpetuate a Board of Trustees to collect said funds and distribute them in accordance with the previous allocations and at the same time to transfer these funds to the ownership of the Annual Conferences with which the Southern Conference was being merged; and:

Whereas at the 1940 session of the Southwest Texas Conference, Bishop Smith ruled that said Southern Conference was without authority to perpetuate such a board of Trustees; and,

Whereas, no other agency has thus far been provided and charged with the direct responsibility of collecting said funds and distributing same to the churches to which same had theretofore been legally allocated by said Southern Conference; and,

Whereas, it appears that some of said churches have received their entire allotment and will not be entitled to participate in such funds hereafter collected; and,

Whereas, some of said churches have merged or otherwise lost their identity and therefore cannot receive further payments on such allotments; and,

Whereas, said loans are scattered across the area formerly covered by said Southern Conference, and said churches are likewise located some in each of the present Conferences covering said area, and no particular Conference Board of Trustees has the sole legal authority to make such collections and distribute said funds; and,

Whereas, such condition has resulted in confusion, and there is danger of some of said loans being lost, and the churches to which such funds legally belong being deprived of same; and,

Whereas, to meet said situation a joint agency upon which each of said Annual Conferences shall have representation appears to be the most equitable and practicable solution of such problem:

Therefore, Be It Resolved That, subject to similar action being taken by all of the above named Annual Conferences of the Methodist Church, the President of the Board of Trustees of this Conference, or some member of the Board to be designated by action of said Board, be and he is hereby appointed as a member of a Joint Board to be composed of the chairman or such other member of the Board of Trustees of each of the above named

Annual Conferences, and to be known as the "Joint Board of Trustees of the Southwest Texas, North Texas, Central Texas, Texas, and Louisiana Annual Conferences of the Methodist Church". Said Board shall organize by electing its own president, secretary and treasurer.

Be it further Resolved That said Joint Board of Trustees be and they are hereby appointed the agent of these Annual Conferences for the collection of said funds so loaned by the Board of Trustees of the former Southern Conference of the Methodist Episcopal Church, and are hereby authorized, empowered and directed to collect same and to distribute the proceeds of such collections proportionately as collected, to the still existing churches to which said funds were allocated by said Southern Conference at its December session, 1926, taking into consideration and making adjustments to cover inequalities in payments made to said churches.

The Treasurer of said Joint Board shall receive, deposit and pay out all such funds in accordance with instructions from Joint Board. He shall give bond in the sum of \$5,000 for the faithful performance of his duties and for proper accounting of all funds.

In carrying out the authority hereby conferred upon said Joint Board of Trustees they are hereby specifically authorized and empowered to employ counsel; to foreclose liens; to execute all releases that may be necessary in making such collections; to make compromise on doubtful claims, and to do any and all acts necessary to carry out the power herein and hereby conferred.

Said Joint Board shall report annually to each Annual Conference all such funds so collected and disbursed by it under the powers herein conferred. All necessary expenses of said Joint Board shall be paid out of the funds collected on said loans.

REPORT BOARD OF LAY ACTIVITIES

The Board of Lay Activities is charged with the cultivation and promotion of Christian Stewardship in the Methodist Church. With world conditions as they are, your Committee feels that every opportunity should be utilized to develop Christian character. With civilization poised on the brink of chaos, this is no time for half-hearted measures or appeals to men, for their acceptance of, and loyalties to, God.

Be it, therefore, resolved, that we as Lay Members of the Methodist Church, work with the Pastors to bring about conditions that will deepen the spiritual life of the church.

In this day of Dictators and Totalitarian Governments when religious freedom as well as political freedom, is being crucified on the Cross of Hate and Personal Ambition, just ordinary easy-

going, passive religion is not enough to meet the challenge. All posterity depends for its future on the stand Christian men and women take today to meet the momentous issues. As thousands of our young men are stepping to the front to defend our political and economic freedom, we call on all Christian men and women to rise to the challenge as good soldiers and take a stand, an open stand, for all men to see, on every question involving morality and loyalty to God. God needs an all-out defense of his Kingdom on earth now.

In matters of Civil Government, it is the sense of this Committee that the best way to perpetuate free Democratic Government is to make it work, and, to this end, we urge our Christian men and women to support and endeavor to elect to public office men whose private lives and public acts are above suspicion; men who place public interest above self-interest and who look upon office as a sacred trust.

We recommend that Layman's Day be observed through our Conference as designated by the General Board and that special emphasis be placed on training and education in the duties of Boards of Stewards in the smaller churches. We recommend short, concise instructions in pamphlet form to be provided for distribution to Members of Boards of Stewards of the smaller churches. February 22nd is designated as Layman's Day.

Finally, we urge that our people stop and take stock of our own Christian lives and decide in our own hearts just how high a value we place on the ideals and principles of Christian living we have been taught to love and cherish; and to rededicate to, and to be prepared to make greater sacrifices for, these things than we have ever heretofore done.

We endorse the report of the Committee on Conference Entertainment.

Mr. C. O. Holland is nominated Conference Lay Leader and his election is recommended by this Committee.

REPORT OF THE COMMITTEE ON MINIMUM SALARIES FOR LOUISIANA CONFERENCE

We, your committee on the Minimum Salaries, wish to state that the suggested plan of last year has been helpful in every district where given a fair trial. But it still leaves much to be desired. In order that we might promote this work further we make the following recommendations:

1. We recommend that every minister in full connection be assessed a sum equal to 1 per cent of his cash salary to be applied to a salary sustentation fund, and that each church be given the opportunity to give an equal amount or more to this fund. That these funds thus collected be correctly distributed, we recommend that each District Superintendent appoint a district advisory committee consisting of one layman and two ministers to study with him the needs of each local charge, where the cash salary is less than \$1,200 and thus ascertain the total needed to bring every pastor's salary up to at least \$1,200.

2. We further recommend that the District Stewards, together with the District Superintendents, elect a District Treasurer who shall receive all funds collected for this purpose on the given district.

3. We further recommend that the District Superintendents and the chairman of the Board of District Stewards compose a Conference-wide committee to allocate and distribute these funds throughout the Conference.

4. We further recommend that W. L. Doss convene this committee and set up the Conference organization.

5. We recommend that no pastor participate in this fund if the charge he serves reduces the salary below that paid the previous year, unless this reduction be deemed justifiable by a unanimous vote of the District Committee.

6. We recommend that an accounting of these funds be made by the treasurer of the Conference committee at the next Annual Conference and that said report be made a part of the Journal of the Annual Conference.

7. We believe this plan will be a further step into the right direction to assist our brethren who are under paid in the ministry of our church.

REPORT BOARD OF MISSIONS AND CHURCH EXTENSION

We have sought carefully to consider the Missionary and Church Extension interests of the Conference. We have appreciated the presence of two General Board representatives, Dr. M. P. Murphy, representing Church Extension, and Dr. C. K. Vliet, representing Missions.

During the past year our Board sent a complimentary subscription for "The Pastor's Journal" to each minister of the Con-

ference. As we are unable to continue this, we ask that each minister and layman wishing to subscribe to this magazine pay 25 cents to V. D. Morris, Conference Missionary Secretary, either at this session or at the district institutes.

District Missionary Institutes will be held as follows: Shreveport District at Bossier City, Dec. 1; Ruston at Ruston, Dec. 2; Monroe at First Church, Monroe, Dec. 3; Alexandria at Pineville, Dec. 4; Lake Charles at First Church, Lake Charles, Dec. 5; New Orleans at First Church, New Orleans, Dec. 8; Baton Rouge at Baton Rouge, Dec. 9.

We recommend that each church and charge organize their Local Church Board of Missions and Church Extension, and lead our people to renewed missionary education and service. We call attention to the fact that the plan of the Discipline is flexible and can be adapted to both large and small situations.

We wish to call special attention to the Indian Mission which has been developing, near Houma, under the leadership of Miss Ella K. Hooper. Here a large settlement of Indians are being served by a church, erected by a Shreveport layman, T. C. Clanton, and by the work of a special worker supported by Mr. Clanton. A valuable piece of property, consisting of 45 acres, is being purchased for \$2,500; this is strategically located for the development of a great work with these Terrebonne Parish people. We have appropriated \$300 to be used in helping to provide an additional worker. We recommend to the Conference that this Indian Mission be hereby endorsed. We plan to secure during the year additional funds to strengthen and develop the work, as our special project for the year.

We have elected Mrs. D. C. Metcalf as a member of the Board in place of Mrs. F. W. Raggio, who has removed from the Conference. E. C. Gunn in place of W. B. Slack.

REPORT NO. 1 OF BOARD OF TEMPERANCE AND SOCIAL SERVICE

We believe that the Licensed Liquor Traffic with is associated evils is the greatest evil of this day. We urge every District Superin-

tendent and pastor to preach fearlessly against this organized evil. We believe that the weakening effects it has upon the American people, both morally and physically, brand it as the most dangerous Fifth Column in the United States of America. It is condemned by the Word of God, an enemy of the Church of Jesus Christ, an inciter of lust, a road to the relief rolls and a funnel to prison.

We beg all pastors and Methodist congregations to eliminate from their officers and teachers all who are connected with the liquor traffic by habit or for monetary reasons.

We appreciate the work done in Louisiana by Dr. Leon W. Sloan, State Superintendent of the Anti-saloon League. We ask our brothers in the Methodist Churches to open their pulpits to him. We suggest that each Methodist Church in Louisiana put an amount in their budget in 1942 for the support of the Anti-Saloon League.

Report II

We warn our Methodist people against the gambling spirit and habit. We deplore the fact that so much of our people's social life is made up and built around the game of chance. Gambling weakens the moral life of people, old and young, male and female. Let the Methodist Church exert every effort possible to eliminate this evil.

We caution the Methodist people about the literature that comes into their homes. Especially do we condemn the children's funny books which play up the sadist, nude, murdering and highly imaginary pictures. This nefarious trade sells over 15,000,000 books a month.

We urge our people to cooperate with the Federal Government in its drive to eliminate all social diseases. Especially do we approve the drive against syphilis which is being financed by the National Government. Where possible every Methodist Church should sponsor a health clinic in cooperation with the government health program.

We believe that the picture show is the greatest teaching agency in America today. Therefore, it is our firm belief that the motion picture industry in every state should be under the control of the State Board of Education. This board could carefully examine all pictures before allowing them to be shown in the state, as to their moral lessons.

We urge every congregation to observe Race Relations Day. We request, where it is possible to do so, that the Methodist people in Louisiana aid the Negroes in obtaining better church and public school buildings. Insist that your parish school board give a larger portion of the school funds to the negro schools than they are now receiving.

REPORT OF THE ANNUAL CONFERENCE COMMISSION ON
EVANGELISM

The only evangelism worthy of the name in a day like this is one so deep, so divine and intensive that it changes life to the very core and compels men to "Crown Jesus Lord of All", no matter where that may lead, no matter what may be the cost. Then these fearless, free, and redeemed men and women of God will carry His Spirit into every social situation, into all wrong, injustice, greed, and sin to destroy the forces that break human life and frustrate the will of God.

We submit the following recommendations:

FIRST: Since the youth of our land is called upon to bear the brunt of war and military training and since the hope of the Church is in them, let us determine that we shall win and keep them for Christ.

SECOND: Since there are thousands of little children in Louisiana who have not been dedicated to God by our Holy Ministry let us set ourselves to double the number of infant baptisms in Louisiana next year, thus opening the doors in many cases to new homes for Christ and the Church.

THIRD: Since there are so many adults outside the Kingdom of God, lost in sin, lost to useful living, in sorrow and misery, disturbed and defeated by life's problems, let us boldly and courageously claim them for Christ. To neglect them is to invite defeat for the Church and for our type of civilization. To win them is victory for the Kingdom and for our country.

FOURTH: Since the Church School is our most fruitful field of evangelism let us determine that it grow in enrollment and in consecration. Let us urge our teachers, officers, pastors and parents to more consecrated Christian living that we may better teach God's Word, lead more children to a public acceptance of Christ as their personal Saviour and train them to become soul winners themselves.

FIFTH: Since Christ is the Head of the Christian Home and since the Christian Home is the foundation of the Church, we urge the use of The Upper Room and the Holy Bible in family worship. Let us again erect the family altar in the Methodist Home.

SIXTH: Since in prayer we are privileged to spend a time in His presence, since it is in prayer that we find His will, since prayer is the source of power with which we can be victorious in our Christian living, let us lead our people to prayer and to continuing or starting again the mid-week prayer meeting.

SEVENTH: Since the practice of stewardship leads to great spiritual awakenings and since through the World Service program

we invest our offerings most wisely, let us set ourselves to the task of paying our World Service askings in full and observing every Fourth Sunday as WORLD SERVICE SUNDAY and send our offerings promptly to our Annual Conference Treasurer.

EIGHTH: Since a great many of our charges and pastors did not lead a single soul to Christ this year, we must pass solemn judgment that such churches are denying the faith. We recommend that the pastor and a few loyal members in each of these Churches form "SUICIDE SQUADS" and determine to win some soul for Christ. We recommend that our ministers observe the order of worship, especially in giving the invitation to Christian Discipleship.

NINTH: Since there is set up in each of our Districts a District Commission on Evangelism, we suggest that the District Superintendent make wide use of this organization in starting new church schools, in holding mass meetings, in making surveys, and in assisting churches in their evangelistic efforts in the fast growing defense project areas and in neglected and unreached areas.

TENTH: Since in unity there is strength, we suggest that a Conference on Evangelism be held within the bounds of the Louisiana Conference, under the leadership of Dr. Guy H. Black, in which we will work out a year's program of evangelism for the Methodist Churches in Louisiana. We suggest (date to be announced later) Alexandria, Louisiana, as the meeting place.

In closing let us say, since evangelism is the multiplication of the number of Christians by any method, let us move forward on all fronts.

Modern evangelism must therefore present a great Saviour in a great variety of ways in answer to a great need of a confused, war-torn and distraught world, and then, as in times past, there will be a great response.

Your Commission recommends as Conference evangelists: Brothers Morris G. Lee and S. R. Irwin.

REPORT NO. I

COMMISSION ON WORLD SERVICE AND FINANCE COVERING MATTER OF COMPENSATION FOR DISTRICT SUPERINTENDENTS LOUISIANA CONFERENCE

Your Commission on World Service and Finance recommend the adoption of Paragraph 840 of the 1940 Discipline of the Methodist Church as the plan for the support of the District Superintendents of the Louisiana Conference.

We recommend that a uniform assessment of 11.5% of the cash salary of each pastor be made against each church and charge

of the Conference for the support of the seven District Superintendents. This amount to cover all salary and all expense attached to the work of this office. All money realized from this assessment must be sent to the Conference Treasurer promptly for equal distribution to the District Superintendents each month of the Conference year. The first payment to the District Superintendents shall be made 30 days after adjournment of the annual session of the Louisiana Conference.

The commission recommends that the Conference Treasurer be authorized and empowered by proper resolution to borrow the sum of \$5,000 or as much thereof as is required within any Conference Year so that each District Superintendent may be paid on his salary account not less than \$300 each month. This loan with interest shall be paid out of the District Superintendents' fund. The final payments out of this fund for the Conference Year must be made within 10 days after adjournment of the Annual Conference and all money remaining in this fund at that time shall be disbursed to the District Superintendents of said Conference Year on a pro rata basis after full payment of this authorized loan of \$5,000 and interest thereon.

The commission recommends that each District Superintendent be instructed to furnish the Conference Treasurer at the beginning of the Conference Year a list of every charge and church in his District together with the amount of the cash salary of the pastor. He shall also furnish the Conference Treasurer the name and mailing address of the Chairman of the Board of Stewards and the church Treasurer of each charge and church in his district. The District Superintendent shall promptly acquaint these persons with the provisions of this resolution. The Conference Treasurer shall report monthly to each District Superintendent all amounts applying on this fund received by him from each church and charge of his District.

The commission recommends that the District Superintendents and pastors be instructed to be as diligent in their efforts to see that these funds are collected and remitted to the Conference Treasurer as they are in the performance of any other duty.

The apportionment for the coming year, 1941-42, is \$270.00, thus making it necessary for your Commission to apportion the total of \$517.00 to the several Districts as follows:

Lake Charles	14.14%	73.10

Your Commission has appropriated \$920.00 for the printing, wrapping, and mailing of Conference Minutes, including the statistical secretary's expense.

Your Commission recommends that Dr. Robt. W. Vaughan be elected as Conference Treasurer. We have appropriated \$900.00 as the Treasurer's salary and \$300.00 as his expense account. We designate the First National Bank of Ruston as the depository.

Your Commission recommends that all preachers, in handing in their statistical reports at the Annual Conference, see the Conference Treasurer before the Statistical Secretary in order that the Conference Treasurer's report and the Statistical Secretary's Report may be sure to balance.

We make the following appropriations to Annual Conference Commissions and Committees: \$25.00 to the Commission on World Service and Finance; \$25.00 to the Committee on Ministerial Training; and, \$25.00 to the Commission on Evangelism. We instruct the Conference Treasurer to pay these amounts on the itemized statements of the chairmen of the respective Commissions and Committees.

Your Commission further appropriates the sum of \$150.00, or as much thereof as is required, for Annual Conference expense not otherwise provided for.

Your Commission recommends that an amount equal to 6% of the preachers' salaries be adopted by the Conference as the amount to be raised for the Conference Claimants.

REPORT OF COMMITTEE ON WORLD PEACE

Whereas, we believe that the present conflicts abroad constitute a direct challenge to our Christian faith; and

Whereas, we recognize that the Christian Church has a great responsibility and a distinct opportunity for leading the world out of the present confusion and strife standing as it does in the position of being used of God as does no other institution in serving the cause of brotherhood and world peace; and

Whereas, we believe that we as Christians must abstain from hatred of our fellowmen regardless of race, class or nationality, and

Whereas we believe that the Church of Christ ought to be sensitive to the needs of sufferings of the victims of war's cruelties and become an active agency of mercy and relief whenever and wherever possible; and

Whereas, we believe that the Church ought to be an active agency in influencing national policy that is in accord with the ideals and principles of Christ; and

Whereas, we feel that the agencies of the Church should not be used for the preparation of war but for the promotion of peace;

Therefore, be it resolved that this Conference urge all Churches to set up a Committee on World Peace in the local church for the purpose of studying the complex problem of World Peace to the end that Christians everywhere will have a united will for a just and durable peace when the time comes, as it must, for the nations of the world to work out the terms of peace.

MEMOIRS

DR. BRISCOE CARTER

Briscoe Carter was born December 31, 1865, at Bastrop, La., the son of Rev. C. W. Carter and his wife, Clara Pentecost Carter. His earthly pilgrimage was ended seventy-five years later, January 24, 1941, at Shreveport, Louisiana.

Briscoe attended various schools, after the manner of Methodist parsonage children; in time he entered Centenary College, Jackson, La., and was graduated in the class of 1886. About the time of his graduation he decided that he was called to preach, and, as his father was then stationed in New Orleans, he preached his first sermons in open air services held on the streets of the city in connection with work of Rev. J. J. Billingsley, City Missionary. In 1888 the young preacher joined the Louisiana Annual Conference, and with the exception of eight years spent in the North Texas Conference, he gave all his time and energy to the Louisiana Conference, being pastor of Mooringsport when the fatal illness came.

Dr. Carter served well and in many places, circuit rider, station preacher, presiding elder, agent for the Methodist Orphanage, president of the Legal Conference, once a delegate to the General and once a delegate to the Ecumenical Methodist Conference, convening that year in England. He served on many Conference boards and was always an active member.

On September 19, 1895, Briscoe and Ella C. Robinson were united in marriage, and the home they built became an abiding place of peace and a source of blessing. Four children came to their home, a daughter and three sons. The daughter, Ruth, Mrs. Alfred Soderman, preceded her father to the heavenly home. Mrs. Carter, the loved wife, the sons, Charles, Howard and Samuel, and eight grandchildren survive. Besides these one sister, Mrs. Lizzie Carter McVoy, and a brother, Rev. Van Carter, also survive Dr. Carter.

Briscoe Carter was an unusual man. He had a sound mind in a sound body. His gifts, his energy and his personality were marked. The spirit within him was full awake to the life about him. He thought rapidly and clearly, coming quickly to conclusions. Nor was he evasive or hesitant in the midst of issues. He was always a man of movement, an eagerness rather than a restlessness of spirit. Perhaps this at times was mistaken for abruptness.

Brother Carter set himself to be fair to friend and opponent alike, and in him there was no place for smoldering animosities. Nor did he give way to regrets and gloom. He never cast shadows

across today with complaints about yesterday. His spiritual life was the result of a confident and abiding faith. When the call to preach came he responded without reserve. In all the years of his long ministry he was always in favor of any proposed forward movement of the Church. He was a man of deep sympathy, and was ready to come to the aid of anyone in distress. He had a special fondness for little children. He knew their names and never forgot them.

Two things should have mention, even in this brief review, of the activities of his ministry. He served many times and efficiently as presiding elder. His very wide and exact knowledge of the entire Conference, his understanding of men, their gifts, their personalities, made him successful as a leader of men. The other outstanding accomplishment of Dr. Carter is the service he rendered in behalf of Centenary College. Perhaps the college would have been abandoned years ago but for his understanding of its need for a wider field. He gave himself wholeheartedly to this task and to him the larger part of credit is due.

Briscoe walked briskly through life with shoulders back, marching unswerving as to a goal, and when the end came the spiritual glow undimmed was in his heart and he went into the presence of the Lord.

DR. ALBERT SIMON LUTZ

It is said that the city of New Orleans has furnished more than a hundred preachers to the Methodist ministry, many of whom have rendered outstanding service in the church. Notable in this group was Dr. Albert Simon Lutz. He was a preacher of unusual ability, clear and logical in his thinking, always speaking with an earnestness, sincerity and conviction characteristic of the man. He was a philosopher and a theologian and a student of wide reading and research. He accumulated a library of more than two thousand volumes. The study in which he took the greatest delight was a study of the Book of Books—the Bible. He loved his Greek Testament. He possessed many different translations of the Bible. Not only was he a learned and forceful preacher, but he was also an evangelistic preacher and often responded to the call of his brethren to lead in revival campaigns. On two different occasions he was selected to conduct the annual revivals at the Seashore Camp Ground, Biloxi, Miss.

As pastor he served churches in Minden, Homer, New Iberia, Hammond, DeRidder, Shreveport, and New Orleans. As presiding elder he served the Monroe, Baton Rouge and Alexandria Districts. As an educator he served three years as dean of the Epworth League Assembly at Mansfield. He was an accredited teacher and

taught in many of the Standard Training Schools of the state under the direction of the General Board of Christian Education. For six years he was the Educational Secretary of the Louisiana Conference.

He was graduated from the Boys' High School of New Orleans at the age of sixteen. He made a brilliant record at Centenary College where he was given the Bachelor of Arts, the Master of Arts and the Doctor of Divinity degrees. He was given the Bachelor of Divinity degree at Vanderbilt University. He also did two years of post graduate work in the University of California at the time he was the pastor of the Epworth church at Berkley. During his college days he was much interested in public speaking and was successful in debating and oratorical contests. He was a member of the Kappa Sigma fraternity.

Dr. Lutz was a 32nd degree Mason, a Knight Templar, a Shriner and a Knight of Constantine. In the last named order there are only thirty-three members in a state, one for each year of the life of our Lord.

On June 6, 1906, Dr. Lutz was married to Miss Hattie Inez Simpson of Greenwood, La., daughter of Mary E. and De Orsay A. Simpson. He is survived by his wife and two children, Mrs. Sidney Sale of Haynesville and Albert Simon Lutz, Jr., of Baton Rouge, and one sister, Miss Cena Lutz of New Orleans.

Dr. Lutz was born in New Orleans on October 10, 1874, of godly parents, John Michael Lutz and Barbara Weihing. In his early teens he was converted under the preaching of Dr. J. A. B. Ahrens, and at the time of his conversion felt the call to preach. In his eighteenth year he was licensed to preach and for nearly fifty years he was an earnest and effective gospel preacher in the Methodist Church.

He came to the end of his earthly life, January 5, 1941, with his strength and vigor unabated. The Sunday before his fatal illness he preached morning and night in his own pulpit at the Parker Memorial Church in New Orleans and during the day conducted two funerals and made some pastoral calls on the sick.

Dr. Lutz was a good man, a faithful preacher of the gospel of Christ and a patriotic citizen. His name deserves a high place in the roll of our honored dead. Only the name is on this roll. Such a man as he was, could never die. "The righteous live forever and the care of them is with the Most High."

DR. WILLIAM SCHUHLE

Friend, is one of the most beautiful words in the English language. A friend is a stay in trouble, a comfort in sorrow, a companion in loneliness and an inspiration in life.

William Schuhle had a friend.

This friend was influential in changing the whole course of his life. William Schuhle was born in Marlen, Germany, December 11, 1863. He attended school until he was fourteen years of age. Here he worked in an uncle's workshop as an apprentice. But his boyhood friend was in America. From him letters came, letters of invitation, until finally a letter came with money for passage; in January, 1881, William Schuhle landed in New York City. In Elizabeth, New Jersey, he worked in a fertilizer factory long enough to earn money for a ticket to New Orleans where he joined his friend of other days. It was this friend who brought him to America, the land of freedom and opportunity. How different his life might otherwise have been!

William Schuhle had a friend.

This friend was Dr. Shehee of Arcadia, Louisiana, who took him into his own home and gave him the opportunity to learn the rudiments of the English language. It was while he was in Dr. Shehee's home that a great revival was held in the town. Many people were converted and gave their lives to God; among them was this German youth, who had come of Roman Catholic parentage. Had it not been for Dr. Shehee how different his life might have been!

William Schuhle had a friend.

The First Methodist Church in Shreveport, through its Woman's Missionary Society, furnished the money, in part, for him to attend Vanderbilt University for further study and training, which training had so much to do in fitting him for his life work.

William Schuhle had a friend.

Dr. J. A. B. Ahrens, a well known German preacher in New Orleans, did much in helping him to find his life work in the Methodist ministry. He entered the Louisiana Conference on trial in November 1889; served forty-nine years; retired in November, 1940, and joined the Church Triumphant on the eleventh day of May, 1941. During his long and faithful ministry he served as pastor in every district of the Conference. He was four years presiding elder of the Monroe District. He was a trustee of Centenary College; served on many of the Conference boards during his ministry. He was honored with the Doctor of Divinity degree from Centenary College. On the 24th of December, 1914, he was married to Mrs. Evelyn Wright Keener, who, with their son, William, survives him. William Schuhle was the soul of honor and integrity, a man in whom there was no guile—unassuming, dependable, true; a man above suspicion, open-hearted, gracious, kind, unselfish. A man of both native and acquired ability. He was truly a good minister of Jesus Christ.

William Schuhle had a friend.

He had many friends who helped him along the way. He, in turn, was a friend to many; a good friend, a helpful friend, a friend you could never forget. We miss him today. We cherish his memory. We honor his name.

REV. ROBERT L. WELDON

Robert Lemon Weldon was born August 28, 1876, at Anacoco, Louisiana. He was the son of a Baptist minister, Rev. Abraham Jackson Weldon, and Frances Marion Rayburn Weldon. He passed to his eternal home December 17, 1940, in the parsonage at Welsh, where he was pastor, surrounded by his family and friends. Funeral services were attended by many friends and others from Louisiana and Texas. Rev. B. H. Andrews, District Superintendent of Lake Charles District, was in charge. Rev. Don Harwell of New Orleans delivered the sermon. He was laid to rest in the Welsh cemetery with Masonic ceremonies.

He spent his early life in Vernon Parish and attended public school near Leesville. Later he graduated from a business college in Galveston, Texas. In 1902 he entered a ministerial college at Greenville, Texas. After finishing his work at Greenville, he became a preacher on trial in the Gulf Annual Conference of the Methodist Episcopal Church. Within five years he completed the courses of study and was ordained Elder by Bishop Thomas B. Neely, during Annual Conference at Welsh, in 1910.

As an itinerant preacher he covered the full scope of his calling. Beginning with a small appointment at Raymond, La., he advanced rapidly and was soon recognized as a leader in the councils of the Conference. Among the appointments he served are First Church, Marshall, Texas; Crowley, Welsh, DeQuincy, Eighth Street, New Orleans, and he served as District Superintendent of the Houston District, trustee of Port Arthur College and Southwestern University of Texas. He was a member of the General Conference in 1936 which was the last General Conference of the Methodist Episcopal Church, prior to unification.

He was married January 6, 1901, to Miss Elizabeth Walker, at the Walker home near Lake Arthur. The bride's father being a Methodist preacher, officiated. They were blessed with four children; two died in childhood. He is survived by his wife, two married daughters and two grandchildren.

To this writer he was well known. Throughout his entire ministry it was our privilege to be associated with him. He was of evangelistic temperament and conducted revival meetings in a number of states. As a pastor he had few equals. His faithful

genius made him a good soldier of Jesus Christ. He fought in a good fight and finished his course in keeping with the dignity of his calling.

We are lonesome for his fellowship. A voice is missing and it seems odd to be without him, but braced by the doctrine of immortality, thrilled with the promises in God's Book, we hope to meet this familiar friend again.

REV. MARY ELLON PERDUE

Mrs. Mary Ellon Purdue, widely known and beloved for her religious and humanitarian work, died at her home on the Mount of Blessings, Atlanta, Texas, Wednesday night, June 18, 1941. Not as a grim monster, nor a sudden, destructive tragedy, but with the gentleness of an angel's hand, came the reaper and her spirit was borne to realms eternal.

Mrs. Perdue was born September 13, 1879, in Shreveport, La., near the present site of the First Methodist Church. She moved to Cass County when a child. She was married to James Madison Perdue, in 1891, and to this union were given two sons: Allen, who preceded her in death, and Clifford F. Perdue, surviving. She lost her husband in comparative youth, in a tragic engineering accident.

Mrs. Perdue began her ministry as an evangelistic singer with the Rev. Mary E. Bartlett, with whom the gospel message of full salvation was carried to the valleys and highlands of Louisiana. For seventeen years, the two "Mary's" continued as co-workers, in an unbroken fellowship.

She was admitted to the Methodist Protestant Conference in 1904, and was ordained in 1906, at the Courtland Methodist Church. For thirty-seven years she proclaimed the gospel of Christ to the saving of many souls. She was pastor of churches in Northeast Louisiana, South Arkansas, and East Texas. While doing her work of evangelism, she also served the former Methodist Protestant church in Jonesboro, La., as pastor for eighteen years. She was a member of two General Conferences of her church. Was superannuated in 1940, and was supply-pastor of the Munnerlyn Chapel Church, near Ida, Louisiana, at the time of her death.

She served as Secretary of the former Methodist Protestant Conference of Louisiana, for twenty-one years.

In addition to her work as pastor-evangelist, she, in recent years founded the Mt. of Blessings Camp, at Atlanta, Texas, which has continued annually.

Her ministry to the thousands has been one of solace and comfort, winning the respect and friendship of all. She has ministered

to humanity at their worst and at their best. In the deepest sorrow, when the crepe was on the door, they called her. She was as God's angel to them, the pastor of them all. In distressing illness or in accident sudden and tragic, the presence of Mary Perdue at their side was the most natural and the most consoling event of the day.

This "Mary" did not have a chance to be last at the Cross of Christ, but she will be among the first in the morning of the Resurrection, and many shall arise in that day and call her blessed.

I. L. YEAGER

MRS. C. W. RODGERS

Mrs. C. W. Rodgers was the wife of Rev. C. W. Rodgers and mother of Mrs. Robert Carmouche, both of Lake Charles, Louisiana. She was born in Wadena, Iowa, August 26, 1876.

For forty years Mrs. Rodgers was at the side of her capable husband as they together so sincerely and efficiently worked in God's Kingdom. During the several pastorates in upper Iowa, Dakota, Gulf, Southern, and Louisiana Conferences, and during his term as army chaplain and President of Evangeline College, Mrs. Rodgers took her rightful place in help and inspiration to her husband.

For the last several years Rev. and Mrs. Rodgers were engaged in building a home for themselves, looking forward to the days of retirement just ahead, where they could spend the last years of their lives together. Bro. Rodgers retired in November of 1940 and just a month after they moved into their new home, Jan. 11, 1941, Mrs. Rodgers was called to the great beyond. Her passing was mourned by many friends and the memory of her life is one of inspiration and joy to all who knew her. Her kind spirit, her joyous attitude, her willingness to serve unreservedly made her a dear friend to everyone. Her's was certainly a life of spiritual triumph.

EDWARD R. HAUG

MRS. J. A. ALFORD

For nearly a quarter of a century Mrs. J. A. Alford was a devoted member of the preacher family of the Louisiana Conference of the Methodist Church. She and Brother Alford were married on November 22, 1917. She was a model preacher's wife, efficient, systematic, understanding and deeply spiritual. She loved the Methodist itineracy, because she loved the Methodist Church—its doctrines and government. She had gifts and graces that qualified her as truly the pastor's helpmeet wherever she went. She was educated and refined, a schoolteacher at one time with marked ability, and was at home in any company. She was a splendid musician and could play a number of instruments with skill. Her great delight was in teaching and training church choirs. She was

for many years a leader in the Woman's Missionary Society. She did much to promote the Daily Vacation Church Schools in churches of the vicinity where she lived.

The remarkable service of this remarkable woman was not an accident. Her parents before her, Jacob Kundert and Catherine Andrees, were Christians of a high order. They dedicated her to God in holy baptism when she was only a few days old and brought her up in "the nurture and admonition of the Lord". She united with the Craps Street Methodist Church, now Second Church, in New Orleans, under the pastorate of Dr. J. A. B. Ahrens, when she was thirteen years of age. She lived a long and useful life in the church and was faithful to the end. She began her church life in the Craps Street Methodist Church, and while serving many churches in the Conference, she ended where she began. She passed to her Heavenly Home on September 5, 1941. She was truly a good woman.

MRS. CARRIE STAPLES PORTER

The immortal words of Fannie Crosby are brought to mind when the life of Carrie Staples Porter is beheld in retrospect, for they express the motivating principles of her life here on earth:

"Not for ease or worldly pleasure,
Not for fame my prayer shall be.
Gladly will I toil and suffer
Only let me walk with Thee."

Truly Mrs. Porter belonged to that great group of pioneer women who endured and stood with unshaken confidence by the side of her preacher-companion, amid the hardships and trials of the early Methodist parsonage home, and it is to women like her that we of this age owe our priceless heritage.

Born in a home that was built upon and dedicated to the principles of Christian living, she early knew real joy in serving her Master and throughout her life continued to exemplify the intrinsic worth of a life wrought out of faith, sincerity, service and love. At the age of seven she joined the Methodist Church, South, but her span of life was such that she lived to belong to the greater Methodist Church, thus belonging to the same church which her father had joined in the year 1835, when there was no division in the church. One of her most treasured possessions was "The Doctrine and Discipline of the Methodist Church", published by Bangs and Mason, N. Y., in 1821, and under which her father had joined the church. It is also significant to know that his death was chronicled in the New Orleans Christian Advocate, of August 12, 1897. This publication was known by her in her father's home, and all subsequent issues were read avidly by her in her own home.

Carrie Staples Porter, daughter of Margaret Bowman Staples and James Wesley Staples, was born in Wilcox county, Alabama, December 7, 1860, while her father was serving in the medical division of the army, in the capacity of a nurse during the War Between the States. Four years later her parents came to Louisiana, making their home in Union parish, at Downs ville. Here she received her earliest education, later continuing her studies at Whitworth College, at Brookhaven, Miss. For eight years before her marriage she followed the teaching profession, and after her marriage to Rev. William J. Porter, on February 6, 1888, she resumed her teaching work for a few years.

Rev. and Mrs. Porter had 38 years of happy wedded life, during which time he was serving in various churches throughout the Louisiana Conference, and always at his side was his faithful wife, making a home, helping in all things, ever interested in all phases of the church which they both loved so dearly. To them were born four children, one of whom died in infancy, and the late Dr. Baxter Staples Porter, who died a few years ago; Willie Mae, a deaconess in the East Texas oil fields; and Juanita, a teacher in the Ouachita parish schools.

Her last years were spent as an invalid and were filled with many days of suffering and pain, but through them all she radiated faith and came to the end militant, filled with an unfailing hope and assurance. The cheerful endurance of her affliction was always indicative of faith that sustained her in all the trials and sorrows of life.

On the night of Friday, August 29, 1941, Mrs. Porter passed away, being lifted away above the grasp of pain and anguish, and her soul, carrying with it across the boundary line its freight of thought and life, passed into that bright and eternal morning where "saints immortal dwell", to pursue its continuity of being and love and purpose in an unbroken and uninterrupted course.

Her funeral was conducted by her pastor, Dr. A. M. Freeman, at First Church, Monroe, on Sunday afternoon, August 31. Assisting him in the last rites were Dr. W. L. Doss, Jr., district supt. of the Monroe Distirct; Rev. Ernest Holloway, pastor of the First Presbyterian Church; Rev. L. T. Hastings, pastor of the First Baptist Church, of Monroe. Her body was laid to rest in a spot sacred to her and her own, in the beautiful Riverview cemetery in Monroe.
